ITEM 176-2301-R0917

Request for authorization to execute a stockpile lease with the Montana Department of Transportation on the Red Bluff Agricultural Research Center; Montana Agricultural Experiment Station

THAT

In accordance with Board of Regents Policy 1003.6, the Montana Board of Regents authorizes Montana Agricultural Experiment Station to execute a stockpile lease with the Montana Department of Transportation.

EXPLANATION

The Montana Agricultural Experiment Station wishes to enter into a stockpile lease with the Montana Department of Transportation [hereinafter referred to as MDOT]. The lease would allow MDOT to maintain a stockpile on the Red Bluff Research Center. The lease would be for a period of ten (10) years with an annual rent payment of two hundred dollars (\$200.00) per year.
